

FAST EASY FREE QUOTE

SPECIALIZED EQUIPMENT FINANCING SOLUTIONS

WHAT WE DO:

CUSTOM SOLUTIONS

We provide customized financing solutions to fit YOUR needs. We help businesses acquire new or pre-owned equipment they need quickly and easily, without a large cash outlay.

FAST & EASY

Time is valuable - enjoy a simple application & approval process, with flexible terms, that won't tie up line of credit at the bank & a dedicated professional to help you find the right solution for your business.

TAX BENEFITS

Take advantage of current tax incentives for equipment purchases. Consult your tax preparer for the most up to date guidance on how you can stay ahead.

ABOUT US:

Since 2007, Commerce Capital Associates LLC has been providing fast, easy, and flexible equipment financing to help companies grow their business and get the equipment they need without a large cash outlay. We offer 100% financing including soft costs like tax, installation, delivery, accessories, etc., with a simple application and quick approval. Commerce Capital can also finance almost any additional type of equipment your company needs such as forestry, construction, trucks, lifts, security systems, and much more enabling you to get the best rates, terms and make just one affordable payment without the restraints of a typical bank.
